BK Marcus

Writer

May 15, 2013, Douglas was a client of BK'S

BK Marcus is one of the unsung heroes of the liberty movement. He has a rare combination of talents and his work on mises.org made it a treasure trove of libertarian thought for so many years. Now lfb.org has the benefit of his work. While we hired BK for his editing, web formatting, and graphic work, he has extraordinary fine judgement in editorial matters and an encyclopedic knowledge of Austrian economic literature.
